What exactly does a demonstrator do?

I share fun ways to craft,
help you pick the right
supplies, and we make things
together. No pressure—just
creativity.

So, what makes shopping
with you different?

I get to know your style, share ideas,
answer questions, and make sure the
experience is creative and fun.

What's the best thing
about being a
demonstrator?

**I love to craft on my
own time, connect
with friends, and
get the opportunity
to earn a modest
supplemental income.**

**This makes
crafting so much
more personal.**

Do you need
experience to start?

Not at all!
If you enjoy creating,
you already have what
it takes.

It really does—
**community,
creativity,
and perks.**

Pull Up a chair . . .

People choose to be part of our community for all kinds of reasons. Some because they love the products and the satisfaction of making something from start to finish . . . others come for the connection and friendships that grow when people gather around a table to create.

What began as a small business in my childhood living room has grown into a community shaped by creativity and the many ways we show up for one another. This community is built by people who value space for creativity and conversation . . . a place to share ideas, learn, and craft together.

What I love most is how each person adds something unique to the whole—your lived experiences, your curiosity, your passion, and the way you see the world. You help shape the community we're still becoming.

However you found your way to us, there's a place for you at the table . . . pull up a chair. We're glad you're here!

Shelli's FAVES

I show love and gratitude to my family and friends with handmade cards, small treats, and thoughtful gifts. I love to tailor the packaging to make each one special, so I'm thrilled to add personal touches to the **Scalloped Window Boxes** and **Advent Treat Boxes** (p. 75). Since I'm creating all year long, the versatility of the **Elegant Leaves Bundle** (p. 39) immediately caught my eye. I love that the leaves and sentiments can suit any style or season. And I have to mention the **Stampin' Hot Foil System & Craft Class** (p. 61)! Embossing was my first crafting love, and this feels like a step above that. I can't wait to craft with it!

I hope you'll add a little handmade touch to your gifting this season . . . and maybe find a new crafting love too!
